

NO DISCHARGE AREAS

It is illegal to release wastes, treated or not, into a federally designated No Discharge Area. Your MSD must be connected to a holding tank or secured to prevent all sewage discharges. No Discharge Areas in California are:

- Avalon Bay Harbor, Los Angeles County
- Channel Islands Harbor, Ventura County
- Dana Point Harbor, Orange County
- Huntington Harbor, Orange County
- Lake Tahoe, Placer and El Dorado Counties
- Mission Bay, San Diego County
- Oceanside Harbor, San Diego County
- Richardson Bay, Marin County
- San Diego Bay, San Diego County
- Sunset Bay, Orange County
- Upper and Lower Newport Bay, Orange County
