

**Division of Boating and Waterways (DBW) Shoreline Erosion Control and Public Beach Restoration Projects Receiving Local Assistance Funding,
State Fiscal Years 2012/13 Through 2019/20**

- Below is a list of erosion control projects that have been approved for Local Assistance funding through the State budget process since fiscal year 2012/13.
- The source of State funds for all projects listed below is either the Harbors and Watercraft Revolving Fund or the Public Beach Restoration Fund.
The State has provided General Fund resources for similar Local Assistance grant projects in the past, but not since fiscal year 2000/01.
- All of these projects receive additional cost support from local sources. Many receive federal funding as well.
