

Objective	Question #	Question	Scoring Rubric	Max Score
Objective 3: Marine Patrol / Boating Safety Activity	3	Does your boating safety and enforcement unit have citation authority?	YES = 5, NO = 0	5
Objective 3: Marine Patrol / Boating Safety Activity	4	Does your boating safety and enforcement unit have arrest authority?	YES = 5, NO = 0	5
Objective 3: Marine Patrol / Boating Safety Activity	5	How many outreach events with the general public did your agency participate in to promote boating safety education last calendar year? Please list these events and describe how boating safety was promoted.	Outreach Events - 3+ events (5 points); 1 - 2 events (3 points); 0 events 0 points)	5
Objective 1: Need	7	This is a Federal Pass-Through 'Recreational Boating Safety Grant'. The purpose of the grant is to promote boating safety and to decrease the number of accidents, injuries, and fatalities on U.S. waters. Clearly identify the top three BOATING safety issues that affect recreational boaters in your jurisdiction and describe how the requested grant will address these issues. Your answer to this question will be referenced throughout this grant application.	Boating Safety issues identified: a) 3 or more issues; (11 - 15 points) b) 2 issues (1 - 10 points) c) 0 - 1 issues (0 points)	15
Objective 1: Need	10a	Describe exactly what you are requesting and how this equipment will help mitigate the boating safety issues you identified in Question 7.	a) Agency clearly states the request, need and how boating safety issues will be mitigated (16 - 30 points) b) Agency states the request and need but isn't fully clear (1 - 15 points) c) Agency did not clearly state the request and need (0 points)	30
Objective 3: Marine Patrol / Boating Safety Activity	10b	Describe any negative impacts to boating safety and/or boating enforcement if you do not get this grant.	a) Agency clearly states the negative impacts (9 - 15 points) b) Agency states the negative impacts but isn't fully clear (1 - 8 points) c) Agency did not clearly state the negative impacts (0 points)	15

Objective 3: Marine Patrol / Boating Safety Activity	10c	Classify this request by choosing one of the following options and present a strong justification for the request.	a) "Critical" and make a good case (25 - 13 points) b) "Increase Efficiency" and make a good case (12 - 6 points) c) "Convenience" and make a good case (5 - 3 points) d) "Protection of Existing Equipment" and make a good case (2 - 0 points)	25
Objective 2: Cost Effectiveness	10d	If you are not awarded your full request, would your agency be able to supplement the difference? If yes, what percentage can you supplement? If yes, what percentage can you supplement?	a) Can supplement 25% or more – 5 pts b) Can supplement 1-24% - 3 pts c) Cannot supplement (0%) – 0 pts	5
Objective 2: Cost Effectiveness	10e	How and why did you select this particular vessel? Explain if this is a standard patrol boat or do you need something specialized for your waterbody to meet your agency's needs? List less expensive models considered and explain why they are not being requested. List other funding sources available to your agency that could be used to purchase or partially purchase this equipment.	a) Equipment is standard (6 - 10 points) b) Equipment is specialized but good reason (1 - 5 points) c) Equipment is specialized and not good reason (0 points)	10
Objective 2: Cost Effectiveness	10g	How many hours per month on average will this Vessel be used for Boating Safety Enforcement? May through September	May- Sept: (a) Equipment will be used more than 80 hours per month for boating safety activities (5 pts) (b) Equipment will be used 60-79 hours per month for boating safety activities (2 pts) (c) Equipment will be used less than 60 hours per month for boating safety activities (1 pts)	5

Objective 2: Cost Effectiveness	10g	How many hours per month on average will this Vessel be used for Boating Safety Enforcement? October through April	Oct-April: (a) Equipment will be used more than 80 hours per month for boating safety activities (5 pts) (b) Equipment will be used 60-79 hours per month for boating safety activities (2 pts) (c) Equipment will be used less than 60 hours per month for boating safety activities (1 pts)	5
Objective 2: Cost Effectiveness	10h	Will this vessel be used for anything besides Recreational Boating Safety Enforcement (ie. Junior lifeguard, swimming rescues, enforcing commercial activities, etc.)? If YES, complete the table below.	a) Equipment will be used 75% - 100% for grant activities (25 points) b) Equipment will be used 50%-74% for grant activities (12.5 points) c) Equipment will be used 49% or less grant activities (0 points)	25
Objective 1: Need	11b	Describe exactly what you are requesting and how this equipment will help mitigate the boating safety issues you identified in Question 7. If your requested quantity is more than one for any item, explain the need for having multiple items. (max. 2000 characters)	a) Agency clearly states the request and need and how boating safety issues will be mitigated (15 - 20 points) b) Agency states the request and need but isn't fully clear (6 - 14 points) c) Agency did not clearly state the request and need (0-5 points)	20
Objective 3: Marine Patrol / Boating Safety Activity	11c	Describe any negative impacts to boating safety and/or boating enforcement if you do not get this grant.	a) Agency clearly links the need to the issues (10 - 15 points) b) Agency links but need to the issues but isn't fully clear (1 - 9 points) c) Agency did not clearly relate the issues to the need (0 points)	15

Objective 3: Marine Patrol / Boating Safety Activity	11d	Classify this request by choosing one of the following options and present a strong justification for the request	a) "Critical" and make a good case (25 - 13 points) b) "Increase Efficiency" and make a good case (12 - 6 points) c) "Convenience" and make a good case (5 - 3 points) d) "Protection of Existing Equipment" and make a good case (2 - 0 points)	25
Objective 2: Cost Effectiveness	11e	If you are not awarded your full request, would your agency be able to supplement the difference? If yes, what percentage can you supplement?	a) Can supplement 25% or more – 5 pts b) Can supplement 1-24% - 3 pts c) Cannot supplement (0%) – 0 pts	5
Objective 1: Need	11f	What other capabilities exist in your region for this equipment? Justify why it is not feasible to borrow this equipment from a neighboring agency.	a) Equipment cannot be borrowed from another nearby agency (9 - 10 points) b) Equipment can be borrowed from another agency but not convenient or good fit (6 - 8 points) c) Equipment can easily be borrowed by another agency (0 - 5 points)	10
Objective 2: Cost Effectiveness	11g	How and why did you select this particular model? Explain if this is standard equipment or do you need something specialized for your waterbody to meet your agency's needs? List less expensive models considered and explain why they are not being requested. List other funding sources available to your agency that could be used to purchase or partially purchase this equipment.	a) Equipment is standard (4 - 5 points) b) Equipment is specialized but good reason (1 - 3 points) c) Equipment is specialized and not good reason (0 points)	5

Objective 2: Cost Effectiveness	11i	How many hours per month on average will this equipment be used for Boating Safety Enforcement? May through September	a) Equipment will be used more than 80 hours per month for boating safety activities – 5 pts. b) Equipment will be used 60-79 hours per month for boating safety activities – 2 pts. c) Equipment will be used less than 60 hours per month for boating safety activities -1 pts	5
Objective 2: Cost Effectiveness	11i	How many hours per month on average will this equipment be used for Boating Safety Enforcement? October through April	a) Equipment will be used more than 80 hours per month for boating safety activities – 5 pts. b) Equipment will be used 60-79 hours per month for boating safety activities – 2 pts. c) Equipment will be used less than 60 hours per month for boating safety activities -1 pts	5
Objective 2: Cost Effectiveness	11j	Will this equipment be used for anything besides Recreational Boating Safety Enforcement (ie. Junior lifeguard, swimming rescues, enforcing commercial activities, etc.)? If YES, complete the table below	a) Equipment will be used 75% - 100% for grant activities (15 points) b) Equipment will be used 50%-74% for grant activities (10 points) c) Equipment will be used 49% or less grant activities (0 points)	15
Objective 2: Cost Effectiveness	11k	Select the PRIMARY purpose this equipment will be used for: • Search and rescue • Enforcement of state and local measures • Inspection of vessels • Recovering drowned bodies • Supervising organized water events	a) Search and rescue – 15 pts b) Enforcement of state and local measures -15 pts c) Inspection of vessels – 10 pts d) Recovering drowned bodies – 5 pts e) Supervising organized water events – 5 pts	15

Objective 1: Need	12	Previous BSEE Grants	<p>BSE grants awarded in the past three years:</p> <p>a) Have not received a grant in past 3 years (25 points)</p> <p>b) Received one grant and spent 100% in 3 years (20 points)</p> <p>c) Received two grants and spent 100% in 3 years (15 points)</p> <p>d) Received one or two grants and spent <100% in either year in 3 years (10 points)</p> <p>e) Received three grants and spent 100% in 3 years (5 points)</p> <p>f) Received three grants and spent <100% in any year in 3 years (0 points)</p>	25
Objective 1: Need	13	<p>Revenue and Expenditures</p> <p>Total annual boating income in your operating budget vs Total expenditures for boating safety and enforcement</p>	<p>a) Agency's expenditures exceed their income (30 points)</p> <p>b) Agency's income exceeds their expenditure by 10% or less (10 points)</p> <p>c) Agency's income exceeds their expenditure by 11% or more (0 points)</p>	30
Objective 1: Need	14	<p>If you participated in the subvention program, were all allocated funds expended in the previous closed year? If NO, state percentage of remaining funds.</p>	<p>a) Agency did have a prior year grant and spent 96% or more - deduct 5 points</p> <p>b) Agency did have a prior year grant and spent 85-95% - deduct 10 points</p> <p>c) Agency did have a prior year grant and spent 74-84% - deduct 15 points</p> <p>d) Agency had a prior year grant and spent 73% or less – deduct 20 points</p>	-20
