**1. Q: What changed in 2021 regarding the Mussel Fee Sticker?**

A: The process for purchasing the sticker from Department of Motor Vehicles (DMV) has been revised. The sticker is now a separate transaction from vessel registration. DMV no longer provides the option to purchase the sticker by phone, mail, or from a third-party vendor.

**2. Q: How do I obtain the Mussel Fee Sticker, how much does it cost, and how long is it valid?**

A: You can purchase the Mussel Fee Sticker from DMV online at [dmv.ca.gov/musselfee](http://dmv.ca.gov/musselfee) or visit a DMV field office. Upon payment of the \$16 Mussel Fee\* to DMV, DMV will provide two stickers, one for each side of the hull. The stickers will indicate the year through which they are valid. The color of each sticker will be the same as the color of the vessel registration stickers, which are purchased separately.

\*The mussel fee amount shall be \$8 when first paid during an even-numbered calendar year and \$16 when first paid during an odd-numbered calendar year. The mussel fee amount shall be \$16 thereafter and shall be valid for a period of two calendar years. The mussel fee sticker shall be valid through December 31 of every odd-numbered year. California Code of Regulations, Title 14, Section 5201.

A: You may purchase the Mussel Fee Sticker from DMV's website at [dmv.ca.gov/musselfee](http://dmv.ca.gov/musselfee) or by visiting a DMV field office.

Note: if you will be using your boat in marine (salt) water exclusively, you are not required to purchase a Mussel Fee Sticker. By paying this Mussel Fee, you will aid and support infestation prevention efforts through grant funding, administered by DBW, to eligible agencies for quagga and zebra mussel prevention programs at reservoirs that allow boating and fishing recreation.
