

Table of Contents

Executive Summary

Section	Page
1. Background of Non-Motorized Boating Study	1-1
2. Boats and Boaters for Non-Motorized Boating	2-1
3. Waterways and Facility Needs for Non-Motorized Boating	3-1
4. Annual Economic Impact of Non-Motorized Boating	4-1
5. Recreational User-Values of Non-Motorized Boating	5-1
6. History and Laws of Non-Motorized Boating	6-1
7. Safety Issues Related to Non-Motorized Boating	7-1
8. Health Benefits of Non-Motorized Boating	8-1
9. Trends of Non-Motorized Boating	9-1

Appendices

A. Non-Motorized Boat Clubs and Organizations	A-1
B. Statewide and Regional Random Surveys	B-1
C. Active-User Internet Survey	C-1
D. Commercial and Institutional Survey	D-1
E. Interest Group Meetings	E-1
F. Summary of Existing Studies on Non-Motorized Boating	F-1
G. Bibliography	G-1

Exhibits	Title	Page
Exhibit 1.1	Descriptions and Examples of Non-Motorized Boats	1-3
Exhibit 1.2	Examples of “Boats” NOT included in the Non-Motorized Boating Study	1-6
Exhibit 2.1	DBW Regions by County, with Regional Population and Number of Households (2006).....	2-7
Exhibit 2.2	Description of Non-Motorized Boating by Boat Type in California (2006)	2-9
Exhibit 2.3	Description of Non-Motorized Boating by Region in California (2006)	2-12
Exhibit 3.1	North Coast Region Waterway Map	3-8
Exhibit 3.2	San Francisco Bay Area Region Waterway Map	3-10
Exhibit 3.3	Central Coast Region Waterway Map	3-15
Exhibit 3.4	South Coast Region Waterway Map	3-17
Exhibit 3.5	San Diego Region Waterway Map.....	3-20
Exhibit 3.6	Northern Interior Region Waterway Map	3-22
Exhibit 3.7	Sacramento Basin Region Waterway Map	3-24
Exhibit 3.8	Central Valley Region Waterway Map.....	3-28
Exhibit 3.9	Eastern Sierra Region Waterway Map	3-31
Exhibit 3.10	Southern Interior Region Waterway Map.....	3-33
Exhibit 4.1	Economic Impact Methodology Flow Chart for Non-Motorized Boating in California (2006)	4-3
Exhibit 5.1	The Supply Curve and Producer Surplus	5-2
Exhibit 5.2	The Demand Curve and Consumer Surplus	5-2
Exhibit A.1	Selected Non-Motorized Boating Clubs and Organizations (2006).....	A-2
Exhibit A.2	California Rowing Clubs (Member of US Rowing) (2006)	A-9
Exhibit B.1	Statewide and Regional Random Survey Telephone Questionnaire (2006)	B-12
Exhibit B.2	Number of Boats, Households, and Participants Based on Statewide and Regional Random Telephone Survey of California Households (2006)	B-21
Exhibit B.3	Summary of Statewide Random Survey Respondents (n=351) (2006).....	B-28
Exhibit C.1	Active-User Survey Questionnaire (2006)	C-4
Exhibit C.2	A Sample Email To Non-Motorized Boating Clubs To Inform Them Of The Survey (2006).....	C-16
Exhibit C.3	Summary of Active-User Survey Respondents (2006) (n=1,518)	C-17
Exhibit D.1	Commercial and Institutional Survey (2006)	D-3
Exhibit D.2	Summary of Active-User Commercial/Institutional Respondents in California (2006) (n=112)	D-10
Exhibit D.3	Commercial and Institutional Total Participants and Expenditures in California (2006)	D-11
Exhibit D.4	Estimated Number of Non-Motorized Boats by Type in Commercial and Institutional Fleets in California (2006)	D-11
Exhibit D.5	Non-Motorized Boating Commercial and Institutional Entities (2006).....	D-12
Exhibit D.6	Commercial Whitewater Rafting Participation Numbers on Eleven California Rivers (1983 to 2006)	D-17
Exhibit E.1	Interest Group Meeting Sample Announcement (2007).....	E-3
Exhibit E.2	Interest Group Meeting Sample Flier (2007).....	E-4
Exhibit E.3	Interest Group Meeting Sample Presentation (2007).....	E-5
Exhibit F.1	NMMA National Kayak Sales, by Type (2001 to 2005).....	F-8

Tables	Title	Page
Table ES.1	Estimated Number of Non-Motorized Boats in California by Category (2006)	ES-2
Table ES.2	Estimated Number of Non-Motorized Boats by Boat Type in California (2006).....	ES-2
Table ES.3	Estimated Number of Kayaks by Kayak Type in California (2006)	ES-3
Table ES.4	Estimated Number of Non-Motorized Boats by Boat Type and Utilization Level in California (2006).....	ES-3
Table ES.5	Estimated Number of Regularly Used Kayaks by Kayak Type, Kayaks Utilized 5 Days or More per Year in California (2006).....	ES-4
Table ES.6	Estimated Number of Non-Motorized Boating Participants by Participant Type in California (2006).....	ES-5
Table ES.7	Estimated Number of Non-Motorized Boating Participants by Boat Type in California (2006).....	ES-5
