

# CLEAN DRAIN DRY

Invasive mussels are a threat to our waters, recreational opportunities, and the health of the environment.

You could unknowingly be carrying them on your watercraft and gear. Take action to protect California waters.

**CLEAN** your gear, boat, and trailer before leaving the area. Remove plants, animals, and mud. Dispose of unwanted bait and debris in the trash.

**DRAIN** bilge, ballast, wells, and buckets before you leave the parking area, and never drain back into the waterway.

**DRY** equipment before launching into another body of water. Waiting periods can vary – check with your local waterbody.

Display your **DMV Registration** and **Mussel Fee Stickers** on the hull
