

## BSEE Application and Scoring Rubric

Objective	Question #	Question	Scoring Rubric	Max Score
Objective 3: Marine Patrol / Boating Safety Activity	3	Does your boating safety and enforcement unit have citation authority? If YES, Code #? How many boating related citations did you have last year (2019)?	YES = 5, NO = 0	5
Objective 3: Marine Patrol / Boating Safety Activity	4	Does your boating safety and enforcement unit have arrest authority? If YES, Code #? How many boating related arrests did you have last year (2019)?	YES = 5, NO = 0	5
Objective 1: Need	7	Identify the top three boating safety issues in your jurisdiction.	a) Agency identifies three boating safety issues – 15 pts. b) Agency identifies two boating safety issues – 10 pts. c) Agency identifies 0-1 boating safety issues – 0 pts	15
Objective 1: Need	10a	Describe exactly what you are requesting and how this equipment will help mitigate the boating safety issues you identified in Question 7.	a) Agency clearly states the request, need and how boating safety issues will be mitigated – 30 pts. b) Agency states the request and need but isn't fully clear – 15 pts. c) Agency did not clearly state the request and need – 0 pts.	30
Objective 3: Marine Patrol / Boating Safety Activity	10b	Describe any negative impacts to boating safety and/or boating enforcement if you do not get this grant.	a) Agency clearly states the negative impacts – 15 pts. b) Agency states the negative impacts but isn't fully clear – 7.5 pts. c) Agency did not clearly state the negative impacts – 0 pts	15
Objective 3: Marine Patrol / Boating Safety Activity	10c	Classify this request by choosing one of the following options. • "Critical" (operations would cease without it) • "Increased efficiency" (if it would save staff time, identify how much time) • "Convenience" (it would make life a little easier) • "Protection" of existing equipment (ex: shade structure, hoists to get the vessels out of the water, etc. to extend longevity)	a) "Critical" and make a good case – 25 pts b) "Increase Efficiency" and make a good case 12 pts c) "Convenience" and make a good case – 5 pts d) Protection of Existing Equipment" and make a good case – 2 pts	25
Objective 2: Cost Effectiveness	10d	If you are not awarded your full request, would your agency be able to supplement the difference? If yes, what percentage can you supplement?	a) Can supplement 25% or more – 5 pts b) Can supplement 1-24% - 2.5 pts c) Cannot supplement (0%) – 0 pts	5
Objective 2: Cost Effectiveness	10e	How and why did you select this particular vessel? Explain if this is standard equipment/patrol boat. Or do you need something special for your waterbody or to meet your agency's MQs or specs? List less expensive models considered and explain why they are not being requested.	a) Equipment is standard – 10 pts b) Equipment is specialized but good reason – 5 pts c) Equipment is specialized and not good reason – 0 pts	10
Objective 2: Cost Effectiveness	10g	How many hours per year will this equipment be used by your BS&E Unit for Boating Safety Enforcement? Will it be used year-round or seasonally? Explain. (limit this to 100 characters?).	<u>May - September</u> a) Equipment will be used more than 80 hours per month for boating safety activities – 5 pts. b) Equipment will be used 60-79 hours/month for boating safety activities – 2.5 pts. c) Equipment will be used less than 60 hrs/month for boating safety – 1 pts <u>November - April</u> a) Equipment will be used more than 80 hours per month for boating safety activities – 5 pts. b) Equipment will be used 60-79 hours/month for boating safety activities – 2.5 pts. c) Equipment will be used less than 60 hrs/month for boating safety – 1 pts	10
Objective 2: Cost Effectiveness	10h	Will this equipment be used for anything besides Recreational Boating Safety Enforcement (ie. Junior lifeguard, swimming rescues, enforcing criminal or commercial activities, etc.)? If so, list activities and percentage of time vs. Recreational Boating Safety Enforcement	a) Equipment will be used 75% - 100% for grant activities – 25 pts. b) Equipment will be used 50%-74% for grant activities – 12.5 pts. c) Equipment will be used 49% or less grant activities – 0 pts	25
Objective 1: Need	11b	How does this equipment help to mitigate safety issues you identified in Question 7.	a) Agency clearly links the need to the issues – 20 pts. b) Agency links but need to the issues but isn't fully clear – 10 pts. c) Agency did not clearly relate the issues to the need – 0 pts	20

## BSEE Application and Scoring Rubric

Objective 3: Marine Patrol / Boating Safety Activity	11c	Describe any negative impacts to boating safety and/or boating enforcement if you do not get this grant.	a) Agency clearly states the negative impacts – 15 pts. b) Agency states the negative impacts but isn't fully clear – 7.5 pts. c) Agency did not clearly state the negative impacts – 0 pts	15
Objective 3: Marine Patrol / Boating Safety Activity	11d	Classify this request by choosing one of the following options. • "Critical" (operations would cease without it) • "Increased efficiency" (if it would save staff time, identify how much time) • "Convenience" (it would make life a little easier) • "Protection" of existing equipment (ex: shade structure, hoists to get the vessels out of the water, etc. to extend longevity)	a) "Critical" and make a good case – 25 pts b) "Increase Efficiency" and make a good case - 12 pts c) "Convenience" and make a good case – 5 pts d) Protection of Existing Equipment" and make a good case – 2 pts	25
Objective 1: Need	11e	How are you currently meeting this need? For example, do you borrow this equipment from neighboring agencies? Explain..	a) Equipment cannot be borrowed from another nearby agency – 10 pts b) Equipment can be borrowed from another agency but not convenient or good fit – 7.5 pts c) Equipment can easily be borrowed by another agency – 5 pts	10
Objective 2: Cost Effectiveness	11f	If you are not awarded your full request, would your agency be able to supplement the difference? If yes, what percentage can you supplement?	a) Can supplement 25% or more – 5 pts b) Can supplement 1-24% - 2.5 pts c) Cannot supplement (0%) – 0 pts	5
Objective 2: Cost Effectiveness	11g	How and why did you select this particular model? Explain if this is standard equipment or do you need something special for your waterbody or your agency's MQs or specs? List less expensive models considered and explain why they are not being requested.	a) Equipment is standard – 5 pts b) Equipment is specialized but good reason – 2.5 pts c) Equipment is specialized and not good reason – 0 pts	5
Objective 2: Cost Effectiveness	11i	• How many hours per year will this equipment be used by your BS&E Unit for Boating Safety Enforcement? _____	<u>May - September</u> a) Equipment will be used more than 80 hours per month for boating safety activities – 5 pts. b) Equipment will be used 60-79 hours/month for boating safety activities – 2.5 pts. c) Equipment will be used less than 60 hrs/month for boating safety – 1 pts <u>November - April</u> a) Equipment will be used more than 80 hours per month for boating safety activities – 5 pts. b) Equipment will be used 60-79 hours/month for boating safety activities – 2.5 pts. c) Equipment will be used less than 60 hrs/month for boating safety – 1 pts	10
Objective 2: Cost Effectiveness	11j	Will this equipment be used for anything besides Recreational Boating Safety Enforcement (ie. Junior lifeguard, swimming rescues, enforcing criminal or commercial activities, etc.)? If so, list activities and percentage of time vs. Recreational Boating Safety Enforcement	a) Equipment will be used 75% - 100% for grant activities – 15 pts. b) Equipment will be used 50%-74% for grant activities – 10 pts. c) Equipment will be used 49% or less grant activities – 0 pts	15
Objective 2: Cost Effectiveness	11k	Select the primary purpose this equipment will be used for: • Search and rescue • Enforcement of state and local measures • Inspection of vessels • Recovering drowned bodies • Supervising organized water events	a) Search and rescue – 15 pts b) Enforcement of state and local measures -15 pts c) Inspection of vessels – 10 pts d) Recovering drowned bodies – 5 pts e) Supervising organized water events – 5 pts	15
Objective 1: Need	12	BSE grants awarded in the past three years.	a) Have not received a grant in past 3 years – 25 pts b) Received one grant and spent 100% in 3 years – 20 pts c) Received two grants and spent 100% in 3 years – 15 pts d) Received one or two grants and spent <100% in either year in 3 years – 10 pts e) Received three grants and spent 100% in 3 years – 5 pts f) Received three grants and spent <100% in any year in 3 years – 0 pts	25

## BSEE Application and Scoring Rubric

Objective 1: Need	13	<p><b>Revenue and Expenditures</b></p> <p>Market value of all registered boats \$ _____</p> <p>Multiplied by tax rate X 0.01 _____</p> <p style="padding-left: 40px;">= _____</p> <p>Multiplied by counties general tax allocation factor (%) _____</p> <p>Boat tax revenue = _____</p> <p>Other Revenue:</p> <p>a) Other local boating revenue sources \$ _____</p> <p>(Example: launching facilities, campgrounds, parking, anything that goes toward marine patrol support)</p> <p>b) Any State boating funding sources, including DBW subvention \$ _____</p> <p><b>TOTAL ANNUAL BOATING INCOME \$ _____</b></p> <p><b>TOTAL EXPENDITURES FOR BOATING SAFETY AND ENFORCEMENT \$ _____</b></p>	<p>a) Does the agency's expenditures exceed their income - 30 points</p> <p>b) Agency's income exceeds their expenditure by 10% or less - 10 points</p> <p>c) Agency's income exceeds their expenditure by 11% or more - 0 points</p>	30
Objective 1: Need	14	<p>If you participated in the subvention program, were all allocated funds expended in the previous closed year? If NO, state percentage of remaining funds.</p>	<p>a) Agency did have a prior year grant and spent 96% or more - deduct 5 points</p> <p>b) Agency did have a prior year grant and spent 85-95% - deduct 10 points</p> <p>c) Agency did have a prior year grant and spent 74-84% - deduct 15 points</p> <p>d) Agency had a prior year grant and spent 73% or less – deduct 20 points</p>	-20
