

Local Assistance Pumpout/Dump Station Equipment Grant Program
Division of Boating and Waterways
November 17, 2022

Summary:

The Pumpout/Dump Station Equipment Grant Program funds new or replacement pumpouts and dump stations or maintenance of sewage pumpouts and dump stations. Operation and Maintenance (O&M) grants help offset the costs for upkeep of pumpouts and dump stations. This program is funded by both the federal Coastal and Inland Clean Vessel Act (CVA) grants.

The Division of Boating and Waterways (DBW) is the designated state entity responsible for implementing the federal CVA program in California and the US Fish and Wildlife Service is the responsible federal agency.

Application Deadline:

- Applications are accepted on a continuous basis.

Application Procedure: Applications are submitted through the Online Grant Application System (OLGA).

FY 2022/23 Funding Available: \$477,000 (\$427,500 for pumpout and dump stations, \$49,500 for O&M).

Typical Grant Amount: Varies from \$500 - \$15,000 for an O&M grant and approximately \$40,000 for a pumpout grant.

Funding Source(s): Coastal and Inland CVA grants from the federal Sport Fish Restoration and Boating Trust Fund.

Eligible Grant Recipients:

- Governmental entities and private businesses that own and operate boating facilities that are open to the general public.

Restrictions:

- a. All equipment installed with CVA funding must be open and available to public recreational boaters.
- b. Pumpout and dump station grantees are required to operate and maintain the pumpout and dump station equipment for seven years.
- c. A minimum 25% local match is required.
- d. Live-aboard and commercial vessels are currently excluded from benefiting from CVA grant-funded equipment.

Accomplishments/Planning:

During the past year, DBW received 5 applications with 4 projects being selected and agreements executed for the installation of 4 pumpouts and one O&M grant at the following locations:

<u>Grantee</u>	<u>Project Type</u>	<u>Grant Award</u>	<u># of Units</u>
Stockton Yacht Club	Operation and Maintenance	\$2,270	N/A
Riverbank Holding Company LLC	Pumpout Installation	\$27,840	1
City of Redondo Beach	Pumpout Installation	\$149,775	2
Morro Bay Yacht Club	Pumpout Installation	\$11,829	1
