

SAVE THE DATE

California Boating and Waterways Commission Meeting
August 14 - 15, 2019 | Nevada County

Tour

Wednesday, August 14 at 10:00 a.m.
Location TBD

Meeting

Thursday, August 15 at 9:00 a.m.
10183 Truckee Airport Road, Truckee

Please join us for our upcoming California Boating and Waterways Commission tour and meeting. As we continue through the summer season, it is important for the public to learn how the Division of Boating and Waterways (DBW) will be promoting safe and responsible access to California's waterways. Working with our constituents is key to implementing successful programs.

At the August meeting, DBW will be providing commissioners an update on the following programs: Aquatic Center Grant Program, Boating Safety Course and Environmental Awareness Campaign, Life Jacket Outreach and Loaner Program, and K-12 Boating Safety Education Program. The public and commissioners will tour Nevada County.

Hope you can participate in person or online. For further information, please visit www.parks.ca.gov/commissions and select California Boating and Waterways Commission - to discover details as they are announced.
