GOLDEN MUSSEL

QUAGGA MUSSEL

ZEBRA MUSSEL

# CLEAN | DRAIN | DRY

**CLEAN** your watercraft and gear before leaving the area. Remove plants, animals, and mud. Dispose of unwanted bait and debris in the trash. **DRAIN** water from watercraft and all recreational equipment before you leave the parking area, and never drain back into the waterway. **DRY** watercraft and equipment before launching into another body of water.
