Please join us for the first virtual California Boating and Waterways Commission meeting and workshop of the new year. The Commission's Ad-Hoc committees -- Revenue Generation, Alternative Funding Sources and Program Development -- will convene on February 9 for a workshop in regards to the Harbors and Watercraft Revolving Fund followed by a regular meeting on February 10.

The February 10 meeting will include updates on the following project and programs:

- Proposed grant for the Hudeman Slough Public Fishing Access and Boat Launch Facility (Sonoma County)
- Proposed grant for the Isleton Boat Launch Facility (Sacramento County)
- Boating Safety Enforcement Equipment Grants
- Surrendered and Abandoned Vessel Exchange Grants
- Aquatic Invasive Plant Control Program
- Quagga/Zebra Mussel Infestation Prevention Grants

The Commission looks forward to your virtual participation. Working with constituents is key for the Division of Boating and Waterways to implement successful programs that will benefit California's recreational community. For further information, please visit parks.ca.gov/Commissions and select California Boating and Waterways Commission for more details on the workshop and meeting as they are announced.
