The Department of Fish and Wildlife, Office of Spill Prevention and Response. OIL SPILL RESPONSE EQUIPMENT GRANT	The Department of Fish and Wildlife, Office of Spill Prevention and Response would like to provide a grant to any local government entity to provide response equipment that can be pre-positioned (pre-staged) throughout the state. The equipment will be deployed by the grantee to contain a spill or to protect local resources.	Any local public agency or tribe in the State of California, including cities, counties, tribal nations, fire departments, Port Districts, Public Utility Districts, and Emergency Management Departments.	There are no fees, matching funds, or out-of-pocket expenses associated with receiving the equipment grant. If you choose to insure the equipment, your insurance provider may charge you to add to your policy.	Cindy Murphy, Local Government Coordinator at (916) 324-6250 or cindy.murphy@wildlife.ca.gov .	Requests are reviewed on a monthly basis
